

PENNINGTON DANCE

MUSICAL THEATER PRODUCTION NUMBER

The production class is an intensive 10-week program that incorporates theatrical skits, props and choreography from a musical, film or TV series. During these 10 weeks, students will prepare for a 10-minute theatrical performance that will be performed at the year-end recital. This number will feature ballet, jazz, hip-hop, and tap. Students do receive proper training, but this intensive does not focus on technique. Classes are rehearsal-oriented, focusing on choreography and performance.

GLEE will be the theme of this year's production number. For those of you that haven't seen the new hit TV show, GLEE focuses on a high school show choir (also known as the Glee Club), featuring a soundtrack of hit songs from the past and present. Although you won't be singing (unless you want to), the music lends itself to fun choreography for all styles of dance. Artistic direction by Crystal Moore; choreography by Crystal Moore, Jenny Gladney, and Jessica Furlong.

Eligible Students:
